

Mammoth california mountain

PAUL MCCAIN 2012

official manx club event
SEPT 13, 14 & 15 2013

Mammoth Mt RV Resort has given the club special rates for Friday and Saturday for spaces with water and power only. Rv dump station available along with restrooms and showers. Tent camping sites and cabins are available to rent. Regular rates apply for full hookup sites and days before and after the event. Call to make your reservations at 760-934-3822 and ask for either Kimmy or Melissa and tell them the secret word "dune" for a special group rate on your RV space.

If you need a motel, I listed 5 average priced motels for you to choose from, all within a short distance from the RV park.

Travelodge-18002572297

Motel 6 Mammoth Lakes-17609346660

Econolodge Wildwood Inn 18663072228

Alphenhof Lodge-17609346330

Mammoth Creek Inn-17609346162

The club HAS NOT made any arraignment's with these motels. These are just what I pulled off of the internet. As for car trailer parking, the RV park has limited trailer parking. If you can find a place to park your trailer at your motel, that would be great. If not, call the RV park and make arrangements with them. To get to Mammoth, Ca. it s about 1 ½ hrs north of Bishop, Ca on Highway 395 or about 4 hours south of Reno, Nv on Highway 395. Dinner for Saturday Night will be Potluck with a real potluck theme; your best dish and have enough for at least 6. Also, don't forget dessert! The club will provide the plates and dinnerware. You provide your own favorite drink!
